The Council is composed of 12 elected members and four others nominated by the Central Government under Section 9(2)(b) of the Cost and Works Accountants Act. Of the four persons nominated by the Central Government, Dr. J. K. Sengupta has resigned from January 1976 due to his departure from India for a prolonged period. Besides the existing non-Standing Committees, which are the Training and Educational Facilities Committee, the Research and Publications Committee, the Professional Development Committee and the Journal Committee, the Council constituted another Committee in the year which is the Committee on International Matters. Apart from these permanent Committees, an Ad hoc Committee under the name Co-ordination Committee was also constituted to negotiate certain matters with the Institute of Chartered Accountants of India and the Institute of Company Secretaries of India.

All these Committees met several times in the year.

EXAMINATIONS

The Intermediate, Final and Management Accountancy Examinations of the Institute were held in June and December 1975 at the usual examination centres both under the old and the new syllabus. The old syllabus will be completely withdrawn after December 1976 examination when all will be required to take examinations under the new syllabus only.

The total number of candidates who came out successful at the above two terms were as under :

Final	398
Management Accountancy	Nil

A summary of the results is given in Appendix I.

A list of persons who won prizes at December 1974, June 1975 and December 1975 Examinations are also given in Appendix II.

REGISTERED STUDENTS

During the year, 16,006 persons got admitted as Registered Students, as against 13,564 in the previous year. The total number of Registered Students, whose names are borne in the Students' Register has exceeded 65,000.

The Council noted that quite a substantial number of those who take admission as Registered Students, discontinue their studies after making a few attempts at examinations, although their names are still borne in the Register till they complete seven years of Registration. Thus, the effective number of Registered Students is estimated to be around 30,000.

COACHING

Increasing trend in the number of students enrolled for coaching, Postal and Oral, as mentioned in the Annual Report for 1974-75 has continued during the year 1975-76. In view of the impending discontinuance of old syllabus, this increase was almost entirely in respect of coaching for new syllabus.

The increased percentages in respect of postal coaching and oral coaching were 10% and 20% respectively compared to 1974-75.

No. enrolled	Postal		Oral	
	1975-76	1974-75	1975-76	1974-75

1. Inflation Accounting as a Tool to fight Inflation by Shri Bahadur Murao MSC, ACMA, FICWA, IDAS, Member, Bureau of Industrial Costs & Prices, New Delhi and member of the Council of the ICWAI.
2. Inflation Accounting: Tools and Techniques.
3. Management Accounting Problems in Small Scale Industries.

Of these, the study by Shri Murao was released by the President of India, Shri Fakhruddin Ali Ahmed, on 12th March 1976.

In addition, three more research studies are now under print.

- (a) Cost Accounting in Commercial Banking Industry.
- (b) Cost and Quality Control.
- (c) Corporate Capital Structure and Cost of Capital—The Indian Private Sector by Dr. S. K. Chakraborty, MCOM, PH.D (LIVER-POOL), AICWA, Professor, Indian Institute of Management, Calcutta.

These studies are likely to be available in print very soon. A Glossary of Management Accounting Terms has also been compiled during the year under report. This Glossary is now awaiting final clearance by the Research and Publications Committee.

The ICSSR research project on Comparative Efficiency in the Fertilizer Industry in India 1961-62 to 1970-71 could not be completed during the year in view. Preparatories have, however, been completed and the study is still in progress. It is likely to be finalised soon.

JOURNAL

During the period in view, the circulation of the Journal has increased by about 30 per cent. Its standard has been maintained at a high, professional level and its readability has increased by the addition of columns for the general readers and reviews of books. Its circulation exceeds 12,500.

REGIONAL COUNCILS

The activities of Regional Councils continue to be enlarged in different and wider fields. Regional Conferences and Seminars on topics of varied interests have been drawing a larger section of members and others to active participation. Regular lecture meetings, study groups, discussions on attainments, scope and limitations of the profession and other related matters featured well in their programmes for the year. A major function that has been engaging a lot of Regional Councils' attention is the running of oral coaching under the compulsory coaching scheme of the Institute. All the Regional Councils have been running their classes satisfactorily.

Other existing facilities are being continuously extended further.

The present composition of the four Regional Councils is as under :

	Western	Southern	Eastern	Northern
Elected Members	7	6	8	5
Ex-officio Members of Central Council	3	3	4	5
	10	9	12	10

Due to resignation of Dr. J. K. Sengupta from the Central Council, the number of ex-officio members of the Eastern India Regional Council got reduced from 5 to 4.

Following the present policy of the Council, initial steps have been taken to place greater responsibilities gradually to Regional Councils for rendering better service to Members, Students and others.

CHAPTERS OF COST ACCOUNTANTS

During the year, recognition was extended to another four Chapters of Cost Accountants at Goa, Nasik-Ojhar, Patna and Lucknow, thus increasing the total number of recognised Chapters from 35 in the previous year to 39 at the close of the year under reference. All these Chapters have been carrying on their usual activities on much the same way as the Regional Councils have been doing. Some of these Chapters are also conducting oral classes under the compulsory coaching scheme of the Institute.

The Council is happy to report that a property has been acquired at Bangalore for the use of the Bangalore Chapter of Cost Accountants with funds provided partly by the Institute and partly by the Chapter itself. A programme has also been drawn up to further extend this property for providing adequate service facilities to all concerned. Foundation Stone was laid on 6th June 1976.

The Council is also happy to report that its proposal to integrate Chapters of Cost Accountants with the Institute by an amendment of Regulation 146 has received approval of the Central Government. The process of integration is being pursued and, when completed, will be notified through the Journal of the Institute.

OVERSEAS CENTRES

In order to develop the development of cost and management parts of the world, the Council has been giving encouragements to Members and Students of the Institute abroad and other interested persons to form organisations for themselves where they can meet, discuss and act for the furtherance of the profession's objectives. The organisations so set up are intended to be formally recognised by the Institute, subject to their fulfilling certain conditions, as over-seas centres, which, instead of functioning as part of the Institute, will exist as voluntary associations.

With the encouragements received from the Institute, two over-seas centres, one in Tanzania and another in Zambia have already been formed. Their formal recognition is under consideration.

COMPANIES ACT

The Central Government, in exercise of the powers conferred by Section 227 (4A) of the Companies Act, issued an order dated 7th November 1975, entitled Manufacturing and Other Companies (Auditor's Report) Order 1975, whereby it has been specified, inter alia, that in the case of manufacturing, mining and processing company, the auditor's Report on the accounts of the company shall include a statement as to whether cost records have been maintained, where maintenance of such records has been prescribed under Section 209(1)(d) of the Act.

The Institute has represented to the Government that in view of the earlier assurance of the Government that cost audits of the prescribed industries would be ordered on a continuous basis and also due to many other reasons, the provision of the above-said Order requiring the financial auditors to certify the existence of records prescribed under Section 209(1)(d) should be deleted. The matter is under correspondence with the Government.

APPOINTMENT OF COST ACCOUNTANTS UNDER STATUTE

The Council also represented to the Government that the Companies Act should be amended to provide that all manufacturing companies, having a paid-up capital of rupees twentyfive lakhs or more, should be statutorily required to appoint qualified Cost Accountants.

COST AUDIT

Since the previous report of the Council, the Central Government has framed Cost Accounting Records Rules for six more industries, namely, Jute Goods, Paper, Industrial Alcohol, Rayon, Dyes and Soda Ash. The total number of industries for which rules have been framed so far has risen to 23, which are as under :

Cement, Tyres & Tubes, Caustic Soda, Electric Motor, Cycle, Room Air-Conditioners, Motor Vehicles, Electric Lamps, Refrigerators, Automobile Batteries, Electric Fans, Agricultural Tractors, Aluminium, Vanaspati, Bulk

Drugs, Sugar, Infant Milk Food, Jute Goods, Paper, Industrial Alcohol, Rayon, Dyes and Soda-Ash.

It is understood that framing of Rules in respect of the following industries has also been undertaken and is well in progress :

Polycryst. Cotton Textiles and Dry Cell Batteries.

The Council is happy to report that a publication on Social Objectives of Cost Audit has been brought out on behalf of the Institute. The Council acknowledges with thanks the great contribution of Shri S. Subba Rao, a member of the Institute, in the preparation of this publication. The publication was formally released by the President of India on 12th March 1976 at New Delhi.

The Council is also happy to report that, with the cooperation of a large number of members, Cost Audit Booklets have been possible to be brought out in respect of sixteen industries first named in the list given above for which Cost Accounting Records Rules have been framed. Preparation of booklets on the remaining industries has also been taken on hand.

INCOME TAX (AMENDMENT) RULES 1976

Members will be happy to learn that the Income Tax (Amendment) Rules 1976 have incorporated, amongst others, a new provision to the effect that if an audit of cost accounts of a company has been conducted under Section 233B of the Companies Act, 1956, a copy of the Cost Auditor's Report should be attached to the Income Tax Return in Form I.

The above is, indeed, a most welcome provision. The Council has always felt that the cost audit report should be utilised for the purpose of Income-tax, and in fact, the Council made representations to the authority for similar provision. The Council is happy that the authority has appreciated the point.

COST AUDIT IN COOPERATIVE SECTOR

In order that the Cost Accounting Records Rules and Cost Audit might be effectively applied for ascertaining the cost of production of products manufactured in cooperative sector also, the Institute submitted a memorandum to the Prime Minister on 10th September 1975 suggesting that Cost Accounting Record Rules as well as Cost Audit should be made applicable to cooperative sector. This suggestion was made particularly because there are large number of cooperative sugar factories and a large number of cooperative societies manufacturing Infant Milk Food.

Members will be happy to note that this suggestion is being considered favourably by the Central Government. It is learnt that action has already been initiated to bring cooperative units manufacturing Sugar and Infant Milk Food within the ambit of Cost Accounting Records Rules.

TRAINING COURSES FOR U.P. GOVERNMENT OFFICERS

The Council is happy to report that the officers of the Government of Uttar Pradesh are being deputed on a regular basis for short-term Training Courses at the Institute so that they may get necessary orientation to man various industries in the State. The first batch of ten Officers had returned after training, and at the moment another ten officers are under training.

Members will be happy to note that this particular service is being very much appreciated and that the Institutes is receiving inquiries for similar services from other State Governments.

Apart from business sessions there were a few social events and a pleasant cultural programme. About 600 delegates from all over the country attended the Conference.

EIGHTH CONFERENCE OF ASIAN AND PACIFIC ACCOUNTANTS

As on previous occasions, the Council has decided to send a delegation to the English Conference of Asian and Pacific Accountants which is going to take place at Hongkong between 20th and 24th September 1976. INTERNATIONAL COORDINATION COMMITTEE FOR THE ACCOUNTANCY PROFESSION

The International Coordination Committee for the Accountancy Profession (ICCAP) was formed at the conclusion of the Tenth International Congress of Accountants held in Sydney in 1972, with the objectives the follows :

"The long-term objective of ICCAP is the development of a coordinated world-wide accounting profession with uniform standard. ICCAP should accept responsibility to gave leadership towards achievement of this objective and should take the following action :

- * Initiate coordinate and guide work that has as its goal the achievement of international technical, ethical and educational guidelines for the accounting profession and reciprocal recognition of qualifications and work towards this purpose by establishing appropriate Committees as well as working through the regional organisations for implementation.
- * Encourage and promote the development of regional organisations with common objectives and formulate guidelines for the structure and constitution of such regional organisations.
- * Review ICCAP's role, functioning and constitution and propose changes necessary to achieve its objectives."

The Interim Report of ICCAP in February 1976 has recommended the formation of an International Federation of Accountants (IFAC). If the conclusion of the bodies to whom the Report has been sent is positive, the recommendation will be submitted to the meeting of the heads of delegations at the Eleventh International Congress in Munich in October 1977. An affirmative note at that meeting will result in the establishment of IFAC in place of ICCAP.

The Council has supported the formation of IFAC.

- E7—Statement of Source and Application of Funds.

RELATIONSHIP WITH SISTER INSTITUTES

The Committees that were constituted to negotiate with the Institute of Chartered Accountants of India and the Institute of Company Secretaries of India have been continuing their dialogues for exploring possibilities of closer co-operation between these professional bodies. The agreement which was earlier reached with the Institute of Company Secretaries of India had to be reviewed and revised due to subsequent changes in the syllabus of that Institute. The revised agreement is now in the process of implementation.

PUBLIC RELATIONS

Continuous efforts are being made to publicise the potentiality of cost and management accounting in all economic activities. Apart from circulation of literature in concerned circles, personal contacts are also being made from time to time both at central and regional levels. While it is not possible to measure the achievements in absolute terms, the Council is of the view that the results have been quite satisfactory.

ACCOUNTS

The audited accounts of the Institute for the year ended 31st March 1976, together with the Auditor's Report, are annexed hereto. The accounts show a net deficit of Rs. 3,65,127.43, on revenue account as against a net surplus of Rs. 19,273 in the previous year. The Council, however, takes note that the Institute's liability for income tax, if any, is yet to be settled with the Income Tax Authorities.
